OUR DESIGN PHILOSOPHY

We follow the Glocal philosophy i.e. - design locally for the global appeal. The form of our every furniture is visually appealing with functionality at its core. Since our inception we have focused on our own factory make to provide customized solutions to the consumers.

Our designs aim to be the reflection of your dreams and aspirations. That's the reason our designs are simple, clutter free, easy to clean and functional. We are proudly made in India with core Indian values.

EXECUTIVE CHAIRS

If you intend to buy the latest designs of chairs used for your office then Ergoflex has a wide range of ergonomic, executive and director's chairs to choose from. You will also find sleek visitors chairs that you can easily accommodate in your office and waiting spaces. These chairs are manufactured considering the factors of comfort, smartness and quality. with care to fulfill the needs of every individual.

MESH CHAIRS

Mesh chairs are some of the widely used chairs in offices and institutions as they have variety of features that provide both comfort and utility. These chairs are ergonomically designed complimenting perfectly with the natural curve of the human spine preventing stressful back-aches while working for long hours. They are durable, easy to maintain, environment friendly and cost effective with seat height adjustments and padded seatings.

Warranty

The product comes with a 12 month warranty against any manufacturing defects and any other issues with the materials that have been used. The warranty does not cover damages due to usage of the product beyond its intended use and wear & tear in the natural course of product usage.

NOTE: There can be a minute difference in fabric color and wood finish between the images here and the actual product. This is caused by the difference in screen calibrations and resolutions across different displays. It is acceptable to have a slight mismatch in dimensions up to 12mm in upholstered products and up to 6mm in non upholstered.

Return Policy

If you receive a damaged or defective product, please connect with our support team immediately or within 24 hours of receipt. In case you notice a problem later, please give us a call @ +91 90739 00059 or mail us at info@ergoflex.in or support@ergoflex.in. Our technical team will evaluate the damage and get back to you within 1 working day. We will either repair the product or offer you a replacement depending on the cause and degree of damage. Once order placed, the product/s will not qualify for any cancellation, exchange, or refund.

Quality Promise

Made from high quality metal and Particle Board, and are manufactured according to stringent BIS norms. Each product has gone through a stringent quality checking process in 3-stages, with a checkpoint of over 50 quality aspects. We work very closely with our vendors to ensure best-in-class quality of raw material and finished designs.

Care Instructions

Do not keep warm or cold items directly on a furniture surface; instead use a hot pad or coasters; please do not keep hot items like a tawa or baking dish even on a hot pad. Products can be dismantled and re-assembled multiple times in case of shifting/moving around furniture. Colour / polish can fade due to prolonged exposure to sunlight. Avoid using abrasive materials like scrub pads for cleaning the surface as they may scratch the surface. Use mild detergents with a soft sponge / cloth for cleaning stains. Pure alcohol can be used to clean stubborn stains followed with a mild detergent cleaning process. Please avoid dragging heavy furniture to reposition it, as this can weaken the joints over an extended period of time, especially in MDF/Particle Board beds.

Made in India All the products are manufactured in India.
